Our food & beverage professionals will make every effort to accommodate special requests and help coordinate a menu that is customized to your event. We are happy to coordinate special requests due to dietary or medical restrictions.

It has been our experience that wedding receptions at Sanderling generally average in price from \$100 to \$175 per person, depending on menu selections, cocktail preferences and special requests. Menu prices begin at \$75 per person and we estimate \$60 per person for a five hour event with superior brand liquor. This is just a guideline as alcoholic beverages will be priced and billed on consumption. Sanderling does not offer drink vouchers or cash bars.

The State of North Carolina Alcoholic Beverage Commission regulates the sale and service of all alcoholic beverages. Sanderling is responsible for the administration of these regulations; therefore, all alcoholic beverages used in banquet functions must be purchased from the resort.

Due to our remote geographical location, we require all menu selections 45 days prior to your event to guarantee appropriate availability. To ensure that your event is a success, Sanderling requires that all event orders must be approved, signed and returned two weeks prior to your event to complete your file.

A guaranteed guest count for meals is required 5-business days prior to the event. This number is a minimum guarantee and may not be reduced after that date. If no guarantee is provided, the last known written count will be used. Our staff will prepare food service to serve 5% above the guaranteed number of attendees. If the attendance falls below the guarantee, the host is responsible for the guaranteed count. Should the actual guest count be higher than the guaranteed count, the host will be notified at the event and will be requested to initial the proper count.

DEPOSIT AND PAYMENT POLICIES

A non refundable facility deposit equal to 10% of total estimated revenue is payable, by check or credit card, with a signed copy of the contract.

At 180 days prior to the event, an additional forty percent (40%) of the total estimated revenue is due. This amount will be based on room block, rental and food and beverage minimums if an estimated count is not available at that time.

At 90 days prior to the event, an additional twenty-five percent (25%) of the total estimated revenue is due. This amount will be based on remaining room block and food and beverage minimums if an estimated guest count is not available at that time.

At 60 days prior to the event, a full deposit equal to the total anticipated revenue inclusive of, but not limited to, any rooms being paid by the master account, all contracted Food and Beverage, Facility Fees and Equipment Rental Fees plus appropriate taxes and service charges on such items. Any rooms that have been confirmed with deposits by individuals will be applied as a credit towards the final balance due.

A final guest count is due five business days before your reception. An additional deposit will be taken at this time if the estimated revenue exceeds prior deposits. Any remaining charges will be billed to the credit card on file. A final Banquet Check with the itemized charges will be mailed to you within a week.

All events require a credit card number on file to secure the event.

Please note: Our Elopement Package has a different deposit policy. A full deposit for the base package including service charge and taxes is required at the time of booking.

REFUND AND CANCELLATION POLICIES

The initial 10% deposit is non-refundable once the contract is executed.

Please note: The Elopement Package initial deposit is non-refundable once the contract is executed.

The contract terms will outline additional information as it relates to the cancellation policy.

GENERAL INFORMATION

Special Requests

To ensure final Event Setup Details and Diagrams are as accurate as possible we request a copy of the Event Design/Floral Contract.

To ensure perfect setup, please furnish Sanderling with your table numbers and guest count for each table (including highchairs, boosters and access for wheelchair seating) five days prior to your event.

Musical Entertainment Policy

Musical Entertainment for dancing and cocktail receptions is well suited in both locations. In order to facilitate setup and requests from your vendors, Sanderling must be furnished with a copy of your entertainment contract thirty days prior to the event. To ensure the comfort of other resort guests, musical entertainment must end at 10:00pm. Due to liability issues, Sanderling prohibits vendors to indulge in alcoholic beverages.

Gift Deliveries

Sanderling is able to provide welcome baskets and gifts customized to suit your specific event and deliver to your guest's rooms prior to their arrival. The cost of these welcome baskets will vary based on your requests. Please let us know if you would like to add this special touch as a "thank you" to your guests for traveling to Sanderling to be part of your special day.

If you choose to bring your own pre-assembled gift bags, we will be happy to deliver them to your guest's hotel room. Please note each guest's name on their gift bag to avoid any confusion. A delivery charge of \$5 per room will be applied. Gift Bags cannot be handed out by the Front Desk at check in.

Miscellaneous

To maintain the appearance of the resort, rice, confetti, etc. may not be thrown inside the premises; birdseed and biodegradable "rice" is allowed outside.

Fireworks, including sparklers, are illegal in the Town of Duck and not permitted during events.

In the event of severe and unsafe weather during an outdoor or tented event, Sanderling reserves the right to determine if it is necessary to temporarily suspend or conclude an event and relocate guests and staff to a safer location.

Parking is complimentary for all event guests. During summer and on holiday weekends, space may be limited; we encourage the use of shuttle or limousine services during these peak times. Due to the Sanderling Homeowners Association policies, RV's, campers, etc. are prohibited and should be parked in alternate locations.

For the Bride and Groom

If your guests book 10 or more rooms per night, your hotel room will be complimentary the night of the wedding. We do require a two night minimum for any weekend nights and three nights over holiday periods. All reservations must be confirmed by the individual guests with a credit card (or the master account) and deposits charged no later than 16 days from the wedding before the suite will be offered for the wedding night.

Please note that we do not have a designated "bridal changing area". Although we will make every effort to accommodate an early check-in, we cannot guarantee the room's availability until 4:00pm.

Bridal Tasting

Should you choose to book with us, Sanderling offers a bridal tasting in Spring 2017. This tasting is complimentary to contracted couples. There will be a limited number of tickets available for sale to additional friends and family.
