“For me a great wine list is a list that is diverse, exciting, and most of all adventurous. One goes out to dinner to explore, to enjoy, to have fun, and to try something new. I love a list that is made up of smaller great quality producers that are true to their land and with the importance being placed on the quality of the wine and not on the name of the producer or if it is trendy at the moment. This particular list tells a story, a story about the terroir. The wines on this list are a true representation of the specific region in which they grow.”

“Good Wine is a Necessity of Life for Me”

PORT

The quick sip on ports: Ruby ports are the chocolate cake of ports—lots of ripe berry flavors and chocolatey; tawnies are the crème brulee of ports—toasted nuts, brown sugar, and vanilla.
