Our Lifesaving Station Restaurant is the location of the former Caffey's Inlet U.S. Lifesaving Station #5. It is one of the original seven stations built along North

Carolina's treacherous coast when the Lifesaving Service was founded in 1874. The mission of the U.S.

Life Saving Service was the systematic saving of shipwreck victims, their cargos and the ship, in that order. In 1915, the Lifesaving Service joined the Cutter Revenue Service to form the modern U.S. Coast Guard.
